A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

With this rule change, the Exchange is proposing to effectuate an amendment to its Amended and Restated Certificate of Incorporation (“Certificate”) to include a reference to Section 242 of the General Corporation Law of the State of Delaware (“Delaware Corporation Law”).

Section 242 of Delaware Corporation Law refers to amendments to certificates of incorporation after the receipt of payment for stock.<sup>3</sup> Section 242 states that, after receipt of payment for stock, a corporation “may amend its certificate of incorporation . . . so long as its certificate of incorporation as amended would contain only such provisions as it would be lawful and proper to insert in an original certificate of incorporation filed at the time of the filing of the amendment.”<sup>4</sup> Amended certificates of incorporation must explicitly reference Section 242 to be deemed acceptable for filing with the Delaware Secretary of State.

On November 28, 2011, the Exchange filed with the Commission, as part of its Exhibit 5 to a rule filing seeking Commission approval of the acquisition of the Exchange by CBOE Stock Exchange, LLC, a proposed form of Certificate. The Certificate in the form proposed was approved by the Commission on December 29, 2011.<sup>5</sup> However, the Certificate in the form proposed failed to contain an explicit reference to Section 242 of Delaware Corporation Law. Instead, the last sentence in the first paragraph of the approved Certificate stated “. . . [p]ursuant to, and being duly adopted in accordance with, Section 245 of the General Corporation Law of

the State of Delaware, this . . . Certificate . . . amends and restates the Restated Certificate of Incorporation in its entirety . . .”

On December 30, 2011, the Certificate, in the form approved by the Commission (i.e., without explicit reference to Section 242), was submitted for filing to the Delaware Secretary of State. The Delaware Secretary of State refused to accept the Certificate unless a reference to Section 242 was added to the text of the Certificate. Such reference was added and the Certificate, as modified, was accepted by and successfully filed with the Delaware Secretary of State. As a result, pursuant the instant rule filing, the Exchange is proposing to amend the text of the Certificate previously filed with, and approved by, the Commission by explicitly referencing Section 242 of the Delaware Corporation Law in the text of the Certificate immediately before the reference to Section 245. In so doing, the Exchange seeks to fully comply with Delaware Corporation Law and with the Securities Exchange Act of 1934 (the “Act”).

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,<sup>6</sup> in general, and Section 6(b)(4) of the Act,<sup>7</sup> in particular, in that it is designed, among other things, to promote clarity, transparency and full disclosure, in so doing, to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Moreover, the proposed rule change is not discriminatory in that it is solely administrative and does not affect the rights of any ETP Holder, does not impact any other provision of the Certificate, and is consistent with the Commission’s recent order approving the Certificate. The

proposed amendment simply adds to the Certificate an explicit cross-reference to applicable law and consequently constitutes a technical amendment that relates solely to the administration of the Exchange and the Exchange's ability to successfully file the Certificate with the Delaware Secretary of State.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has taken effect upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>8</sup> and subparagraph (f)(3) of Rule 19b-4<sup>9</sup> thereunder, because, as provided in (f)(3), the proposed rule change is concerned solely with the administration of the self-regulatory organization. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Securities and Exchange Act of 1934.
